

## 50:50 Club: Raising Money For Our School

I am writing to you on behalf of the Friends of Pensby High School, our PTA. For many years, the school has benefitted from the money raised by FOPHS. In times of austerity and cost pressures, it is really important that teachers can bid for PTA funds.

At some point during their time at Pensby High School, most children will benefit from the support of the PTA. It may be new software, equipment, sports kit, travel costs....

I want you to consider supporting FOPHS by joining the 50:50 Club. Can you afford £1 a month?

Currently there are just under 70 members and I want there to be at least 200. If we had 200 members, each month's prize will be £100. Wouldn't that be great! In addition, the school would receive £1,200 each year; alongside the money raised at the Summer Fair, this would make a real difference. Bigger prizes and more money for the school – win win.

Please don't put this form on one side to complete later. Just think what we could achieve if you put pen to paper and joined us. I could be mailing you a cheque in the not too distant future!

Thanks for reading this letter and thanks for your support – my fingers are crossed, I have touched wood and I hope to receive your application form soon. 😊
