Dear Parents and Carers

You may be aware that a young man from our school was knocked down and seriously injured on Saturday in Irby. Very limited details have been released to the press and I am very conscious that I do not want to add to any worries or speculation, however, I have been in contact with members of the family and they would like to thank all of you who have sent messages of support and good wishes to them.

This young man is still in a critical condition and his family are unable to respond to all the messages and questions they are receiving, they are, as I am sure you understand spending all the time they can at his bedside. I have asked if we could help by collating any messages, cards and thoughts here at school and I will ensure that the family receive these. There is a book for both parents and students to write their own messages available at reception, I will also arrange for any cards to go to the family as well.

All our thoughts and prayers are with the family and we like you hope for positive news.

Yours sincerely

Kevin Flanagan
Headteacher
