23 March 2016

Dear Parents / Carers

In sixth form we are now looking ahead to an important time in preparation for external examinations. We have recently had our final mock examination period for the students before the summer exams. These results were given to them before the Easter break and parents will receive monitoring information in due course. For students that have not done as well as expected they will be asked to re-sit these examinations, and departments are putting in place support/revision arrangements across the Easter holidays and before and after school. Individual departments will contact parents with regards to this support, and sessions will be posted on the school website for your information. If you have any concerns over their examination results or performance please do not hesitate to contact school and the individual subject departments.

Can I also highlight the upcoming events and dates for your diary: Friday 1 April will be a sixth form study day for all students who are taking AS and A Level exams in the summer. For students undertaking BTEC courses in year 13 this will be BTEC "D-Day". The aim of this session is to give an intensive push towards Distinction and Distinction* grades. All BTEC students will be expected in the sixth form between 8:40am and 1:20pm. They will then go to their subject areas where staff will be on hand to guide them through tasks and also give advice to students.

Similarly any sixth form students who are retaking their GCSE Maths or English will have intensive revision sessions on that day. GCSE English will take place during P1 & P2 with Mrs Foster and GCSE Maths will take place during P3 & P4 with Miss Barratt. There will also be extra revision clinics for GCSE Maths resit taking place during the Easter and May holidays, these will take place on Thu 14 April 12 – 2pm and Tues 31 May 12 – 2pm.

Finally the summer term is fast approaching and with this in mind the following dates have been approved for sixth form study leave:

Friday 13 May – Monday 6 June Year 12 Study Leave

Friday 27 May – Year 13 Leavers Day

Friday 27 May – BTEC Deadline Day

Thank you for your assistance and continued support of the students and the sixth form and best wishes for the start of the New Year.

Yours sincerely

H Wimpress
Assistant Headteacher
