Dear Parents / Carers

As you are aware we are now only 13 school weeks from the start of the GCSE examinations.

The purpose of this letter is to invite you to a parent forum on Wednesday 10 February from 6.30pm – 8.00pm at the school. The forum will focus on how we, as a school are supporting your child in the preparation for the examination and how as parents you could also support your child with their revision. It will not be necessary for your son/daughter to attend as they will already have been given the same information.

The format of the evening will be a general overview of revision techniques followed by sessions with the English and Maths' Departments. Research shows that equipping students with appropriate revision strategies can improve progress by an average of 8 months.

In addition to this letter you will find enclosed a copy of your child's latest monitoring report. You will see that there is a column for mock grades which denotes the grade your child achieved in the mock examinations sat prior to Christmas. There is a second column, 'Currently Working At Grade', which denotes the grade your child is working at, taking into account the mock grade, controlled assessment and any other assessed work.

We would urge you to attend on the evening and would appreciate the completion and return of the reply slip below confirming your intention to attend.

Please do not hesitate to contact me in regards to the contents of this letter or indeed any other matter.

Yours sincerely

J Rice
