Dear Parents / Carers

We would like to invite you to a Welcome Evening for Year 12 students and parents / carers on Wednesday 28 September 2016. The evening will start with a general introduction by the Assistant Head for Sixth Form, Mrs Wimpres, detailing how your son/daughter's progress will be monitored, opportunities available to the students and the rules and regulations that we expect them to follow if they are to be successful in the Sixth Form.

For the second part of the evening, you will assemble in option groups situated in classrooms (please see timetable below). Here you will have the opportunity to listen to Heads of Departments talk about academic and vocational courses. These talks will include the course content, methods of assessment, external examination requirements and the standard of work expected from the students throughout the year.
