Dear Parents and carers

As I am sure you are aware a young boy who attends our school has recently suffered a terrible loss with the passing of both his parents in the space of a few days. We have received lots of requests asking the school community to support various ways to raise funds for the family, in fact students and staff themselves have come forward with their own ideas for how money can be raised.

At this difficult time we are trying to work closely with the family and follow their wishes, therefore the best thing is, for school to continue to follow as normal a routine as is possible in the immediate days and weeks. I understand the desire to help and I would urge you to go to:

<https://www.justgiving.com/crowdfunding/claire-knight-2>

This is the just giving page which has been set up to support the family. If and when the time is right we will look to organise an event within our school community, this would be to support both this family and others in our community who have suffered bereavement. My thoughts and prayers, as I am sure are yours, are with this family and the other children in our community we know who have lost parents and close family members. I hope that our community, the love and faith we have in each other will protect them from further harm and help all of us in times of need.

Yours sincerely

Mr K Flanagan
