Dear Parents / Carers

We have recently received this notification from Merseytravel, which I have been asked to pass onto you, I have also included a list of changes that are being made. In the first instance please contact Lisa Cato if you have any concerns

Revisions to bus services are part of an on-going business as usual review process, which considers usage figures during the year. As part of the review of these passenger figures we are planning changes to the bus services that serve Pensby High School, however there will still be sufficient capacity to transport pupils.

From the 24th April 2017 the 0810am 643 service from Upton Station will no longer operate. From the passenger usage figures collated, there will be sufficient capacity for all students to travel from Upton Village on the 643 service that departs from Arrowe Park Road at 0820am.

I have enclosed a summary sheet listing the changes to services that operate to Pensby High that Merseytravel is proposing to introduce in April 2017.

We will be monitoring the revised services during the Spring school term and adjustments can be made to capacity levels if required.

All other services to the school are unaffected by the changes listed. If you have any queries please do not hesitate to contact me.

Regards

Lisa Cato
